

Maxx-Mobile Work Positioner

The **MAXX-MOBILE** Series hydraulic work positioner is ideally suited for lifting light loads to an ergonomic height. The top can set at a tilted position of 0 to 40 degrees. The table has a range of 28" to 42" in height. With a capacity of 330 lbs it is a great tool for those work station and assembly applications. The unit also has four 3" swivel casters and caster brakes allowing it to be easily moved in position.

Model	Capacity	Table Size	Height Range	Tilt Degree	Weight
MXH-15	330 lbs	20" x 16"	28" – 42"	40	192 lbs
